PRESS RELEASE

SEASONAL INFLUENZA CLINIC ADDED

The Hanover Board of Health in conjunction with the Hanover Visiting Nurse Association has scheduled an additional public flu clinic to be held at the **Hanover Council on Aging**, 665 Center Street, Hanover:

Wednesday, October 26, 2011

6:00 p.m. – 8:00 p.m.

Please note:

The Board of Health has purchased an adequate supply of flu vaccine to make up for the lesser amount received from the State. *** All persons will be asked to present an insurance card (most insurance plans welcome) and the insurance plan will cover the cost of the flu shot ***.

Non-residents are welcome!

No one will be turned away on the basis of insurance eligibility.

The Massachusetts Department of Public Health is no longer able to provide Pneumonia or Tetanus vaccine because of budget cuts across all departments.

Please remember to wear short sleeves. If you require additional information please call the Hanover Health Office at (781) 826-4611.
